Notice of Fee Increase on January 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after January 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on January 1, 2003. See Revision of Patent and Trademark Fees for Fiscal Year 2003; Final Rule, 67 Fed. Reg. 70847, 70849 (November 27, 2002).

The current fee schedule is accessible from: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of the fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after January 1, 2003 (or mailed with a certificate of mailing on or after January 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Claims 20-24 define over the prior art of record because of the combination of steps therein, but not limited to, funding a bonus award independent of the wager accepted from the player; determining if the player is entitled to participate in the bonus event using at least the player's identification information; and if the player is entitled to participate in the bonus event, determining if the player is a winner of the bonus event based upon one or more criteria for winning the bonus event. The prior art of record discloses the bonus is paid into by the players, i.e. a part or percentage of the player's wager goes into the bonus pool funds and usually the way a player becomes eligible for the bonus is through betting the maximum amount on the machine or the amount of play time, e.g. a large amount of "pulls" on the slot machine.

Claims 25-30 define over the prior art of record because of the combination of componenets therein and not limited to: the host configured to generate bonus information regarding a bonus award funded independently of wagers placed with the gaming machines and transmits bonus award information to the player tracking devices of the gaming machines via the communications

network. Again, the prior art of record discloses the bonus is paid into by the players, i.e. a part or percentage of the player's wager goes into the bonus pool funds and usually the way a player becomes eligible for the bonus is through betting the maximum amount on the machine or the amount of play time, e.g. a large amount of "pulls" on the slot machine.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
